How does your dog interact with puppies? _____

My Dog... Please check all that apply:

- Is shy/nervous around new people or strangers Has separation anxiety
- Is dog or human reactive on a leash Is shy/nervous around other dogs
- Plays respectfully with other dogs Plays rough
- Loves to chase/be chased by other dogs Prefers to be left alone

**The majority of the time dogs are let out one by one for potty breaks. However, sometimes if we have a group of friendly dogs boarding we will let them have potty breaks together so they get some interaction and more exercise...this will depend on how well we already know the dog and what you tell us about your dog. If your dog is not dog friendly/ does not meet the requirements /or you prefer he/she does not interact with any other dogs and needs to go out alone at all times please check here....

Health History

Required Vaccinations (a current vaccination record will be required from your vet)

All dogs must have

- Rabies
- DHPP (distemper/parvo combo)
- Bordetella
- Must also be flea/tick/worm free
